

	Contractors Crane Operation Notification Form
Please email the completed form to: airtraffic@flybrighton.com	

Should you intend to use a crane which exceeds 10 metres in height or exceeds the height of the surrounding structures or trees (whichever is the higher), and is within six kilometres of the Aerodrome you should notify the Aerodrome in good time (six weeks prior notice required).

This completed form should be returned to the Aerodrome with the following details:-

1	If possible please add a map showing the intended location of the crane, or The national grid reference of the site	Latitude:	Longitude:
2	The maximum height of the crane and span of jib during the operation <i>(we recommend fixed tower cranes have a permanently lit obstruction beacon fitted as standard to the highest point & jib end)</i>	Height: Above Ordnance Datum (AOD)	Span:
3	The date(s) on which the crane will start and finish the operation	Starting:	Ending:
4	The earliest and latest times of operation	Am:	Pm:
5	Name, address and telephone number of the crane company and type of crane/equipment.	Details Here:	
6	Site manager's name and contact number	Details Here:	
7	The name and contact number of the responsible person in charge of, and available on site at the time of the operation or Emergency Contact No.	Details Here:	

You will then be informed of any safety arrangements, if any, to comply with the Air Navigation Order (ANO) in order to ensure aircraft safety.
